

Winter '09

Southern AgriBusiness Services, LLC

Conrad Lavender, President

FI# 16-1623508

Plan to attend one of the **Preparatory Training Workshops**
for help in passing the International CCA exam. The major focus will be toward the International exam but will include a review of the State/Regional competency objectives as well. The CCA Preparatory Training Workshop is designed for in-depth discussions relating to underlying principles and concepts of productive agriculture involving Soil and Water Management, Nutrient Management, and Crop and Pest Management. The course will offer pre and post testing.

(Circle the workshop that you wish to attend).
