

## TABLE OF CONTENTS

Foreward	iii
I.D. Teare and D.L. Wright .....	
INTEGRATED PEST MANAGEMENT	
Importance of Designating Prevention and Suppression Control Strategies for Insect Pest Management Programs in Conservation Tillage	
John N. All .....	I
Soybean Insect Pest Management and Conservation Tillage: Options for the Grower	
R.B. Hammond .....	3
Insect Pest Management and Conservation Tillage of Soybean Double-Cropped with Winter Wheat	
J.E. Funderburk, D.L. Wright, and I.D. Teare .....	6
Direct and Indirect Effects of Conservation Tillage on the Management of Insect Pests of Cotton	
Michael J. Gaylor .....	10
Effect of Non-Crop Vegetation on Insect Infestations and IPM in Reduced-Tillage Corn and Sorghum Production Systems in Low and High Technology Agriculture	
H.N. Pitre and R.P. Porter .....	12
Population Densities of Plant-Parasitic Nematodes in Multiple-Cropping and Tillage Systems	
D.W. Dickson and R.N. Gallaher .....	16
Effects of Insects and Slugs on No-Till Seeding of Ladino Clover in Grass Pastures	
G.D. Buntin and A.E. Smith .....	19
COTTON	
Successes with No-Till Cotton	
John F. Bradley .....	22
Cotton Yields as Affected by Previous Crop Tillage and Subsoiling for Cotton	
J.T. Touchton, D.W. Reeves and R.R. Sharpe .....	23
CORN	
Corn and Soybean Response to Conservation Tillage, Irrigation and Short Term Crop Rotation	
F.M. Rhoads .....	25
Starter Fertilizer Placement in No-Till Corn	
D.L. Wright .....	27

Corn Production and Profitability as Influenced by Tillage, Winter Cover and Nitrogen Fertilizer S. Ott and S. Dabney .....	29
Corn Yield Response to Tillage, Hybrids, and Insecticides J.R. Espallat and R.N. Gallaher .....	33
Yield and Ear Leaf Nitrogen Status in No-Tillage Second Crop Temperate and Tropical Corn T.A. Lang, D.L. Overman, and R.N. Gallaher .....	36
Growth and Partitioning of Dry Matter between Temperate and Tropical Corn D.L. Overman and R.N. Gallaher .....	38
Dry Matter Partitioning in No-Tillage Tropical Corn in Florida J.J. Bustillo and R.N. Gallaher .....	40
No-Till Research with Tropical Corn in a Double-Crop System I.D. Teare, D.L. Wright and D.J. Zimet .....	43
<b>SOYBEAN AND SMALL GRAINS</b>	
Conservation Tillage in Soybean and Corn in the South Carolina Coastal Plain R.E. Sojka and W.J. Busscher .....	46
Potential of Bladex and Classic In Stale Seed Bed Soybeans M.E. Kurtz and W.L. Barrentine .....	49
No-Tillage Yield of Double-Cropped Rye and Soybean in Relation to Nitrogen and Potassium Fertilization R.A. Ortiz and R.N. Gallaher .....	51
Wheat Response to Tillage Systems and Planting Dates D.B. Reginelli, N.W. Buehring and J.D. Summers .....	54
<b>FORAGE CROPS</b>	
Reseeding Potential of Crimson Clover in No-Till Corn J.L. Myers and M.G. Waggoner .....	56
Seeding Aeschynomene in Bahiagrass Sod R.S. Kalmbacher .....	59
Initial Development of Early Blooming Annual Cool Season Legumes for Use in Conservation Tillage C.M. Owsley, M.S. Kirkland, and E.D. Surrency .....	61

Comparative Effects of Tillage on Winter Annual Forage Production	
David J. Lang .....	62
Wheat Forage Response to Tillage and Sulfur Applications	
G.L. Mullins and C.C. Mitchell, Jr. ....	64
Nitrogen Uptake by Corn in a Winter Legume Conservation-Tillage System	
D.W. Reeves and J.T. Touchton .....	67
Predicting Nutrients from Winter Cover Crops for No-Till Management	
Greg D. Hoyt .....	70

#### CONSERVATION TILLAGE SYSTEMS

Tillage Systems for Summer Crops Following Winter Grazing	
J.T. Touchton, D.W. Reeves and D.P. Delaney .....	72
Microbiological Characterization of Eroded Soils in Conservation Tillage in the Georgia Piedmont	
D. Jordan, R.R. Bruce and G.W. Langdale .....	75
Soil Organic Matter in Long-Term Tillage and Cropping System Studies	
R.N. Gallaher, J.F. Corella, R.A. Ortiz, M. Ferrer, G.C. de Bruniard, S. Dyal, H. Marelli, and A. Lattanzi .....	78
Slit-Tillage for Plow Pan Soils	
C.B. Elkins, D.W. Reeves and J.H. Edwards .....	80
A Decade of Progress in Conservation Tillage in the South Carolina Coastal Plain	
W.J. Busscher, R.E. Sojka and D.L. Karlen .....	83

#### ABSTRACTS

Effect of Intensive Cropping on Nematode Population Management	
A.W. Johnson .....	86
Starter Fertilizer Use in No-Till Cotton	
D.D. Howard and P.E. Hoskinson .....	86
Strip-Till and No-Till Demonstrations in North Alabama, 1985 to 1988	
D.P. Delaney .....	86
