SMOKED CHICKEN SALE

Got Chicken?

We do! The Poultry Science Club will be selling our famous smoked chicken November 16th-20th. Our chicken is brined and hickory smoked for a one of a kind flavor. This fully cooked chicken would be a great addition to your tailgating party. Just throw it on the grill to re-heat or stock up in your freezer for later! Please fill out the form below to pre-order your smoked birds today! The smoked chickens weigh about 4 pounds and will be sold for \$7 each.

Limited Quantities—Order Today!

Orders can be picked up November 16th-20th from the AU Poultry Science Building on Lem Morrison Drive.
