Registration Fee - \$550.00 USD

To participate in the online Egg HACCP course you must have the following:

- Students must have ready access to an adequate computer with Microsoft Internet Explorer 7.0 or higher.
 - Free download at <http://www.microsoft.com/downloads>.
- Computing Skills Required for Course Completion (Participants must have experience in the following):
 - Access to the Internet
 - Use a search engine
 - Cut and paste between word-processing software, e-mail, and the web
 - Save files as a MSPowerPoint (.ppt or .pptx), MSExcel (.xls or .xlsx), MSWord (.doc or .docx) or Portable Document Format (.pdf). These are the only file formats accepted for course requirements.
- If you are experiencing difficulties with the above tasks, you may want to contact a local computer expert for suggestions in developing these skills or fixing any computer problem. Once registered for the course, tech support will be available to assist you with course-related technology problems (Open Blackboard and Panopto).

*If you need additional information about the course please contact
Laura Bauermeister by ph (334)844-2631 or e-mail BauerLJ@auburn.edu.*

Please be sure to include check or money order when mailing form.
